Fears Firing Across Border When Northern Leader Attacks Agua Prieta.

FUNSTON TOLD TO ACT: APPEAL TO CARRANZA

at Douglas, Ariz., which is threatened by here as serious. The two towns are practically one.

Villa is reported advancing on the town with a force of \$,000 men, his main command, which he is moving westward from Chihuahua. Carranza is moving several thousand troops to reenforce the garrison at Agua Prieta, and a pitched battle for possession of the town is feared. In that event there is danger that the inhabitants of Douglas will be subjected to a deadly fire from the at-

with refugees fleeing from Agua Prieta and points south, and that the gravest alarm was felt at Douglas. He asked that the Government take all necessary measures to protect the lives and proporty of the people of Douglas.

Wilson Is Informed.

The Senator was assured that the Administration would do all within its power. Secretary Garrison discussed the situation with the President during the situation with the President during the day and gave him an account of the dangers confronting the residents of Douglas. As a result of these confer-ences the State Department is making representations to Carranza in the hope that he may issue such orders to Ger Calles, his commander at Agua Prieta,

diers are being sent. They are entering the United States at Laredo and proceeding by rail to Douglas and Agua Prieta. similiar permission was given to Madero when he was President of Mexico
and attempting to quell border revolutionaries. It is hoped by officials here
that Carranza's force at Agua Prieta can
be so augmented as to deter Villa from
making an attack.

ntends to do, but officials are confident

here are confident, however, that American public opinion will support even the most drastic measures, if such are necessary to put a step to any firing across the border. According to reports from Douglas.

Gen. Calles has increnched his forces at Agua Prieta, but has taken position the international boundary to make firing across the line inevitable if there is an attack. It is expected that if the Villa army actually advances upon Agua Prieta notice will be served on both commanders that there must be no firing across the line under any circumstances. Unofficial reports were received here

to-day to the effect that Austria-Hun-gary has recognized the Carranza Gov-

Washington for some time, expects to leave for his post in a few days. There is no doubt of the recognition of Carranza by the British Government.

According to the Carranza Government in statements is such through its agency here, conditions in Mexico are rapidly improving. It is stated that Carranza now controls all of the national railways with the exception of the section from Jiminez to Juarez.

Luis Riba, representing the National Railways, has left Mexico city for New York to attend a meeting of the directors to be held there soon. It is understood the Carranza Government contemplates retaining the majority stock of the lines. of inspection in northern Mexico, is exself there permanently.

Villa Seizes the Cananea. Last his

Et Paso, Oct. 26.-I formation was received from Sonora to-day that the smelter and mines of the Canadea Copper Company were forced to close down because of lack of fuel and interruption to railroad movements. This is the last American company operating in Villa territory. El Tigre, Montezuma and other American concerns in Sonera were forced to shut down some time ago, and all industries in Chihuahua are closed. Bandits are reported as loot-

ing Cananca.
Officials of the American Smelling and Refining Company here to-day confirmed reports that Villa seized their smelter and mines near Chihuahua smelter and mines near Chihuahua.

Reports later were received of the spreading of Villa's forces over central Soriora from Chihuahua. There is great apprehension at Douglas, Ariz., lest Villa attack Agua Prieta, opposite that city. Citizens and officials at Douglas have sent messages to Washington appealing for protection in the event of a battle between Villa and Carratza across at Agua Prieta.

persons who have had goods confiscated from them.

A. A. Shelton, an American cattle man, was added to-day to the list of missing Americans in Mexico. His father, M. L. Shelton of San Geronimo, Arīz., was here to-day en route to Eagle Pass, where he will endeavor to reach Zacatecas, where he last heard from his son on September 14.

James Parker, another El Paso cattle man, who disappeared last week at Casas Grandes, where he had taken considerable money with which to buy cattle, has rot been heard from.

Carranza will try to buy off Villa and his revolution, it was learned to-day from persons in the First Chief's confidence. Carranza was said to feel that the end was worthy of any means to restore complete peace in Mexico.

Villa will be offered \$250.000 to leave Mexico immediately. Special State Department agent Carothers is said to be taking the offer to Villa. In addition Villa will get amnesty and later will be permitted to reside in Mexico.

At a meeting of the eleventh hour committee of the Empire State Campaign Committee at the home of Mrs. Ogden Mills Reid, 35 West Fifty-third street. Washington, Oct. 26.—The situation at Douglas, Ariz., which is threatened by an impending attack upon the Mexican town of Agua Prieta, just across the border, is regarded to-day by officials border, is regarded to-day by officials are said that the Carranza Government is willing to spend \$1,000,000 in this way.

Whashington, Oct. 26.—The situation fered.

Col. Hipolito Villa and the others leading the revolt also will be offered a liberal sum to quit Mexico. It was bouse called for volunteers to ride in the subway, sitting directly under the anti-cards, which have recently been put up declaring that "less than 10 per cent, of the women want the vote," and carry

Mrs. John Blair, who devised the plan. was the first to say "I'll go." Some of the women who promised to join her were Mrs. Henry Wise Miller, Mrs. Philip Lydig, Miss Elinor Byrns, Mrs. tive that the seizure, however, did not imply confiscation.

The Villa faction for some time have O'Neil, Mrs. Reid and Mrs. Whitehouse. The Villa faction for some time have been endeavoring to persuade the American Smelting and Refining Company to matter Ashurst of Arizona, who called holding the silent arguments so that those who sit and those who hang on straps may see.

"We have absolute figures to prove that 1,000,000 women in the State of New York do want the vote," Mis. Rose Young, press chairman, asserted.
"These figures are based on a house to
house canvass and Mys. Catt has them in her possession at 303 Fifth avenu-where doubte, a may see and be con-vinced."

The large anti-suffrage signs saying tha "woman suffrage is a failure in Colo-rado" which are displayed at subway and elevated stations, are to be coun-tered by sandwich men. On Saturday and Monday the entrances to the sta-tions will blossom with sandwich men bearing statements from widely known men showing that woman suffrage has not been a failure in Colorado.

Offenised to "Liberate" to which of the anti arguments should Fear of Trickery as Election be given most attention in these eleventh hour activities. Miss Maude Younger and Miss R.
